GEAR LUBRICANTS

Testing of Gear Oils, A. G. Papay, 4, XL, July 1976

GENERAL

President's Address, J. L. Murray, 9, XL, December 1976

LUBRICATING GREASE

Application

Evaporation — A Factor in Ball Bearing Grease Life, A. E. Baker, E. R. Booser, 2, XL, May 1976

Toward Expansion of Do-It-Yourself Lubrication, H. A. Mayor, III, 9, XL, December 1976

Analysis

Grease Analysis — A Modern Multitechnique Approach, G. M. Stanton, 8, XL, November 1976

Characteristics

The Effect of Lubricants on the Vibration of Rolling Bearings, R. Kazikowski, 11, XL, February 1977

Make Viscosity Calculations Numerically, R. A. Woodle, 3, XL, June 1976

Composition

A New Generation of Lithium Greases — The Lithium Complex Greases, I. D. Campbell, G. L. Harting, 6, XL, September 1976

Manufacture

Grease Plant Development and Construction - "Fast Track", R. E. Walker, 5, XL, August 1976
